# Retrieving Past Credit Card Statements in eZCard

Looking to access your past Visa Credit Card Statements through cu@home - Online Banking or the MSEFCU Mobile App? Here's how you can easily retrieve and save your statements for your records.

eZCard Info Directions
### *(Within cu@home Online Banking)*

Click on Accounts
After logging in to cu@home, click on the Accounts tab located in the main menu..
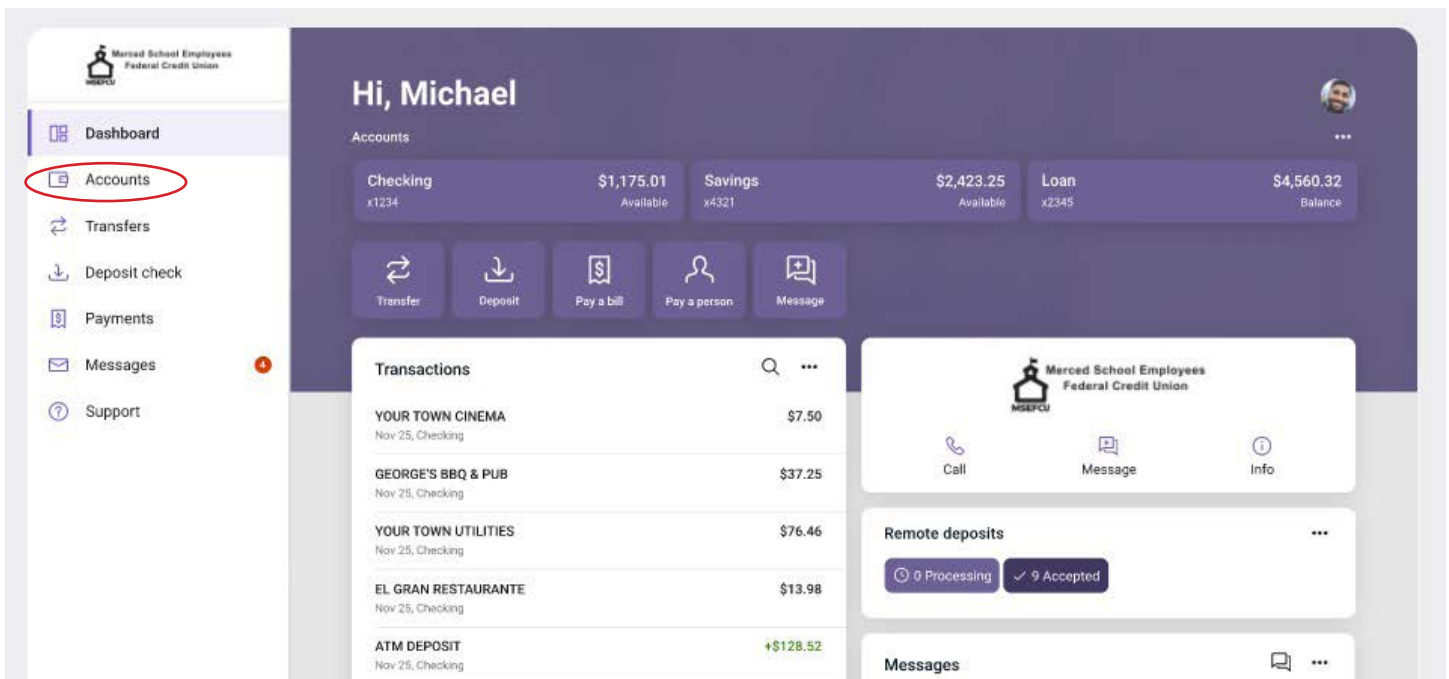

Click on Credit Card Features
In the Accounts section, select Credit Card Features on the right-hand side of the page.

eZCard Info Portal

The Credit Card Features button will take you directly to your eZCard Info portal. Once there, hover over Statements in the top menu bar and select View Statements from the dropdown menu.

View Your Statements

Your statements will be arranged by Statement Period. Click View Statement PDFs to select, save, or download any statement.
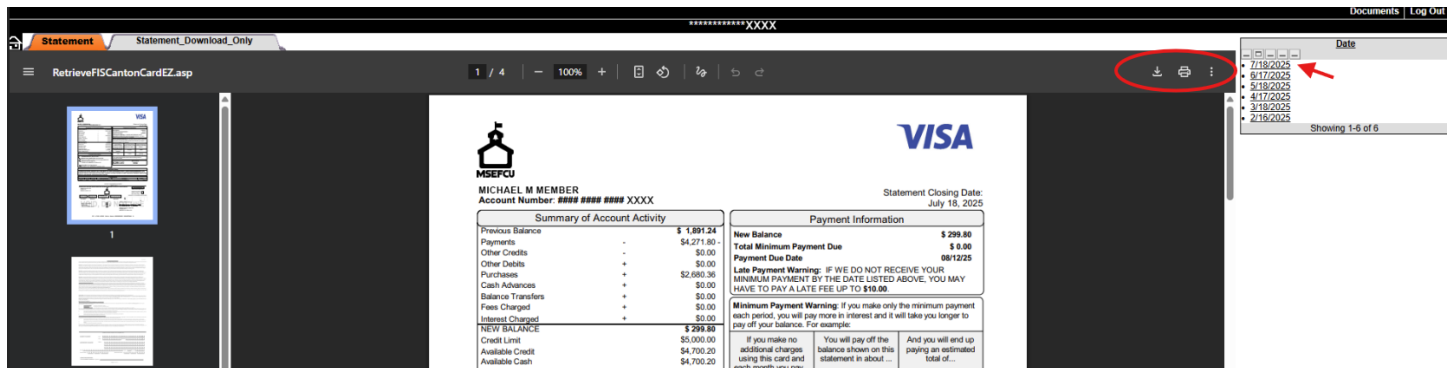

Click on Statements

Under the Documents section, select Statements.

Save or Download Your Statements

Choose the statement you want from the date list on the right, then save or download it to your device.

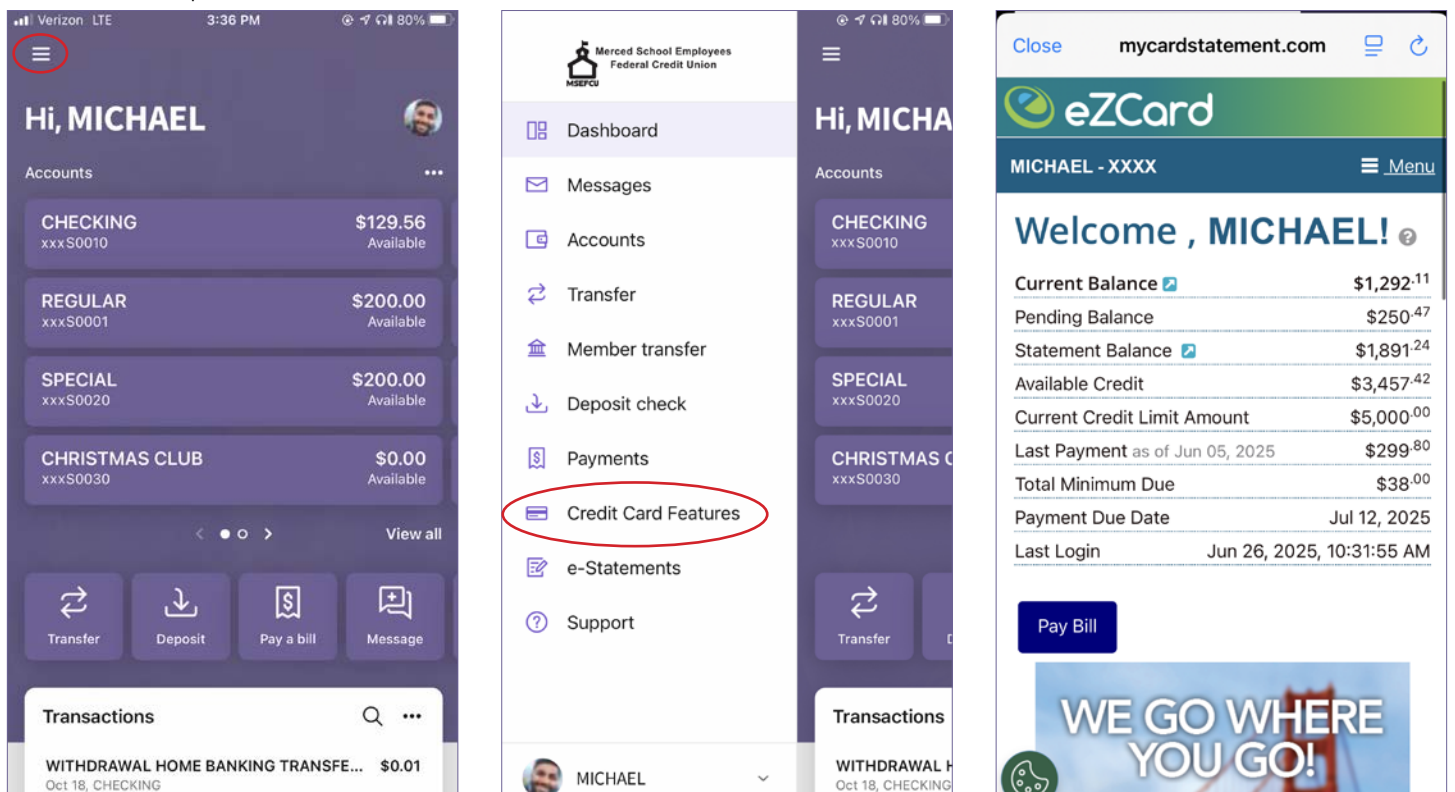

eZCard Info Directions
(Within the MSEFCU Mobile App)

Navigating the eZCard Info Portal

After logging into the MSEFCU Mobile App, tap the Menu icon in the top left corner of your screen. Then select Credit Card Features from the menu. This will take you directly to your eZCard Info portal.
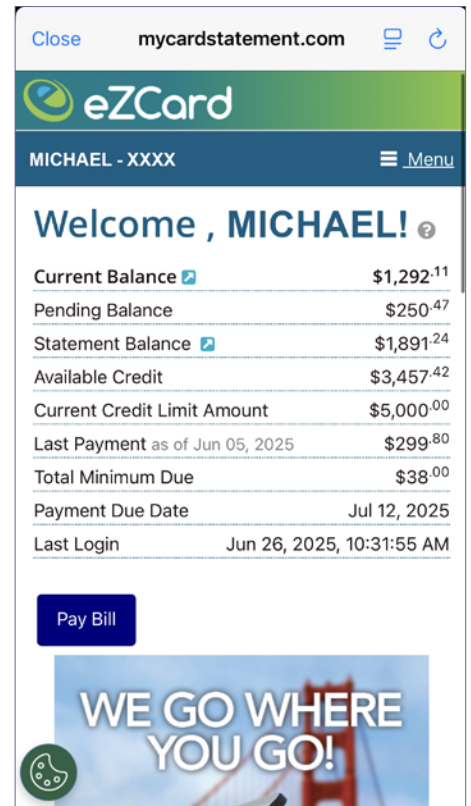

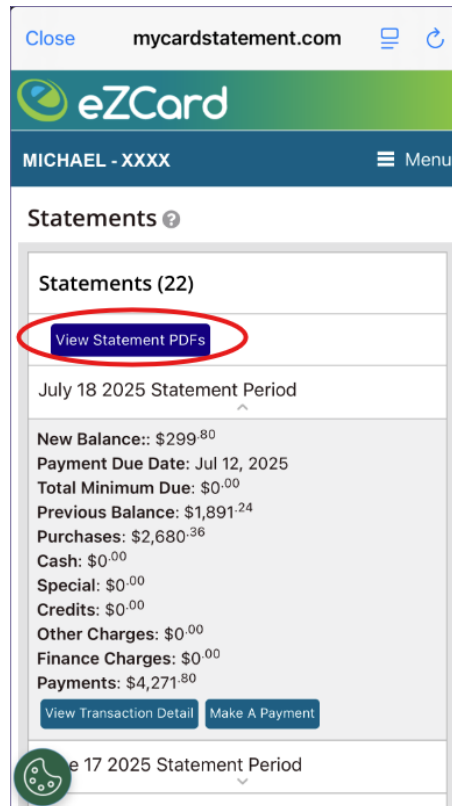

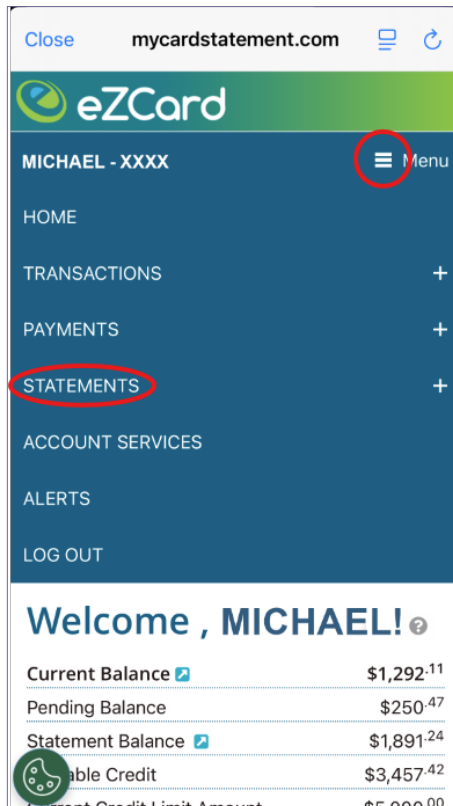

View Your Statements

In your eZCard Info portal:
1. Tap the Menu (three lines) in the top corner.
2. Select Statements.
3. Choose View Statements from the dropdown menu.

Your statements will be arranged by Statement Period. Tap View Statement PDFs to open, save, or download any statement.

Tip: You may need to zoom in on the document for better viewing.

Access, Save, and Download Statements

Within the Documents section, select Statements. Choose the statement date you want to view. Once your statement opens, tap the Share icon on your device and select Save File to store it on your device, or Print if you have a printer connected.
